A healthy mind and body is very essential for the mental, physical, socio and emotional growth of the child.

We also request the parents of all those students who come to school riding two-wheelers to advise their wards to wear helmets and follow all the traffic rules and the proper guidelines of the RTO.

Students are not allowed to bring mobiles, head phones or electronic gadgets to the school. Parents should also advise their wards not to use abusive or unethical languages in the school campus. Students and teachers should speak in English language inside the school premises.

Parents are informed that any student will face disciplinary action if found doing mischief in classrooms, playground or school campus and harming others or damaging school property.

Parents are requested to encourage their wards to attend the school regularly as to fulfil the Attendance Criteria as per CBSE Bye-laws. Any leave sought by the students for more than 03 or more days is to be sanctioned by the Principal.
